### **Made in the Shade — Trees for Nebraska Landscapes**

Date: Tuesday, June 4, 6:30–8 p.m. Register by May 31.

Location: Otoe County Extension Office, 620 1st Street, Syracuse, NE

Trees are the backbone of our landscapes, providing beauty, shade, noise reduction, wildlife habitat, and reduce home heating and cooling costs. In this program, learn how to keep your trees healthy and vigorous. We'll also discuss tree species well-adapted to Nebraska's challenging growing environment.

### **Troubleshooting the Landscape**

Date: Thursday, June 13, 6:30–8 p.m. Register by June 10.

Location: Cass County Extension Office, 8400 144th Street, Weeping Water, NE

Learn how to better manage these common problems in your landscape:

- Emerald Ash Borer
- Weed control in lawns and landscapes
- Summer and fall lawn care
- Pruning trees and shrubs

Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture.

Nebraska Extension educational programs abide with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.
